

Centsible Sisters Advertisement Opportunities

Centsible Sisters Consignment Sale has advertising opportunities for your business in our upcoming event .

We organize and stage a large seasonal consignment sale directed toward families who buy and sell quality used items. The next event will be a "Kid's Consignment Sale" with numerous clothing, toys, furniture and maternity items.

Event Information:

Thursday, September 11 9AM-8PM

Friday, September 12 9AM-8PM

Saturday, September 13 9AM-3PM

**American Legion Columbus Post 82
5475 Sandalwood Blvd.
Columbus, OH 43229**

We are currently offering advertising on our web site as well as booth and display spaces during the event. Benefits of each include the following;

Web Site - \$25.00

Your ad will be placed on our "**Consignors**" page and our "**Next Sale**" page complete with a link to your website. Each page receives 81% to 64% of our total site traffic, as this is where most of our pertinent web content is contained. Web images should be submitted in "jpeg", "gif" or "psd" format.

We are limiting space to no more than three (3) ads on these pages and locations from top to bottom will be assigned on a "first come, first served" basis.

Your ad will be run upon payment throughout the duration of the upcoming event.

Booth Space - \$35.00

This option allows your business to interact with the buyers at the sale and to promote your products or services directly. A standard size table and sitting space will be provided in the merchandise area where buyers will be shopping. You will have access for all three (3) days of the event.

Due to space limitations at the event location, we are limiting booth space to six (6) spaces.
